Four burlesque troops, bands, fans and supporters have all come together to lend their support to a worthy cause. After learning about fellow Cupcake Burlesque Troop performer Liza Toledo's dire need and lack of funds to purchase a diabetic alert service dog, Betty Pickle decided to do something about it. Even though having a service animal would greatly improve the quality of Liza's life, it is not covered by medical insurance. Because of specialized training, purchasing a service animal costs thousands of dollars
