New Workout Buddy

How to lose weight while exercising with your pet

[READ MORE](#)

Working Out with Pets Promote Long-Term Healthy Habits

One of the biggest challenges to finding optimum health isn't just starting a regimen of good diet and exercise, it's also consistently working at it. The same goes for your pets. If you and your pets are suffering from the ill effects of poor health due to too much comfort food, then look no further than your pet for a fun workout buddy. In this week's issue we cover fitness from our *pet's* viewpoint -- from which are the fastest sprinters of their breed, to astonishing acts that are second nature to our animals. Also, learn how to keep them limber by reading up on bone injuries and ailments, and then try to keep up with them when they race past you!

Health

POLYARTHROSIS

A weakened immune system and bad reaction to antibiotics can trigger this painful affliction in dogs.

Emergency

BROKEN BONES

Although nimble, cats can still sustain serious bone injuries. Be informed; quick treatment makes all the difference.

News

CATS HELP INMATES

A Nebraska Sheriff has begun to enlist the services of cats to help with the process of inmate rehabilitation.

Dog Breed

GREYHOUND

The fastest domestic breed also has a sweet and gentle disposition, making this canine a good choice for a house pet.
