### Conflicted About Fixing Your Pet? It Could Be the Best Decision You Make

When we decide to bring home a new pet, we invariably have to make the not so easy decision whether to spay or neuter. We worry about the procedure, and may feel guilty about whatever decision we're inclined to make.

This issue's feature article focuses on the topic of spaying or neutering your pet - the benefits and what to expect after the procedure is done. In our topics sections, you will find information on health issues that may be affecting your pet's frequent or occasional indoor accidents, as well as tips on how to prevent accidents in the future. Whether your pet will live a long and healthy life depends on your attentive care.
